## SKILLS

React, Redux, Ruby, Rails, JavaScript, SQL, Git, HTML5/CSS3

## PROJECTS

**TrackMe** | (React, Redux, Rails, Google Maps API, PostgreSQL, CSS3)

*A MapMyRun web clone that allows users to create, search, and share routes.*

[Live Site](#) | [Github](#)

- Integrated Maps JavaScript API to generate polylines that optimizes travel time between markers based on user interaction with the graphical user interface.
- Designed the backend framework with Rails and PostgreSQL, using the MVC architectural plan to handle database queries and model validations.
- Utilized BCrypt for password hashing to maintain user authentication and limit restriction to certain features unless a user account is created.

**Escape the 4th Floor** | (Vanilla JavaScript, HTML5/CSS3)

*A first-person game inspired by the real-life Escape The Room experience.*

[Live Site](#) | [Github](#)

- Developed layers of gaming logic through the implementation of mouse-click event listeners that provide access to hidden and visible modals
- Improved user interface by handling management of global Z-indexes for overlapping items and room navigation through light-switching.
- Incorporated Adobe Photoshop to arrange items and mirror the display of rooms correlated to App Academy's blueprint design.

## EXPERIENCE

### Sales Consultant

JA Ylim Photography Studio

Aug 2015 - May 2018

- Improved sales and revenue by adding an estimated 80 couples a year, generating an increase of \$320,000 in total annual revenue.
- Orchestrated weekly meetings with team members to discuss daily objectives and overall sales improvement.
- Oversaw social media technologies and attended WeddingWire conferences to acquire cost efficient strategies and skills in attracting potential consumers.

### Assistant Director

APC Summer Camp

Apr 2015 - Aug 2015

- Analyzed financial data for overall tuition, expenses, and staff pay.
- Researched and organized all field trips for students and events for overall staff.
- Managed a team of 10 counselor teaching grades ranging from 3rd to 5th.

## EDUCATION

**App Academy** (Feb 2019 - Apr 2019)

1000-hour immersive full-stack web development intensive with <3% acceptance rate

**CUNY Baruch College** (Aug 2010 - Jun 2015)

Economics major, Psychology minor
